

FINDING

YOUR

WAY
STARTS
HERE.

Whether exemplified in the accomplishments of our students across the community or the successes of our alumni across the world, finding your way has been the promise of Holy Rosary since its founding in 1954.

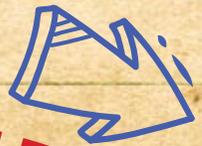

Our goal has been to provide all of our students with an education that is guided by faith and rooted in excellence. With more than 70% of our faculty members holding master's degrees in their fields and with their enthusiasm to inspire students in and out of the classroom, the experience at Holy Rosary prepares these children to be exemplary students and kind, empathetic and polite human beings.

Mass is not only a chance to form a deeper relationship with one's faith, but also an opportunity for our school to come together as a community. Many parents, grandparents and relatives attend our weekly All-School Mass.

Finding Your Way Starts Here. At Holy Rosary Academy, we have more than six decades of experience fostering an environment where every child is prepared to excel.

AN EXCELLENT FOUNDATION FOR FUTURE SUCCESS.

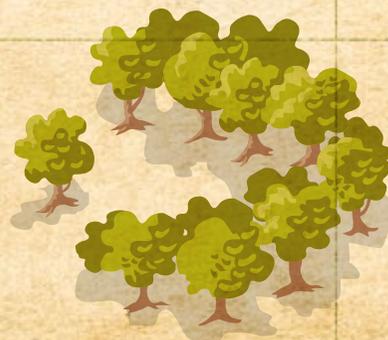

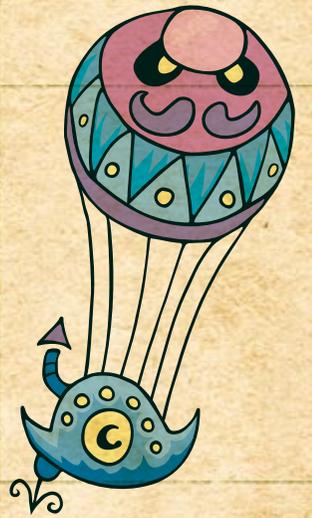

We offer dozens of extracurriculars for all interests. Whether a child loves academic challenges, expressing creativity through arts or music or engaging in spirited athletic competition, there is something for everyone at Holy Rosary Academy. Our goal is to challenge each student to be their own best self.

Located just a short drive from downtown in Nashville's Donelson community, Holy Rosary has proven popular with residents in the many walkable neighborhoods near the school as well as families from across the city. Thanks to its convenient geographic location, getting to Holy Rosary is never out of the way.

The outstanding academic preparation is evidenced in the achievements of our students in competitions across the city and in their successes in high school and college. The roster of alumni includes a U.S. Army General, the inventor of the artificial diaphragm for infants with breathing issues, and the first person to swim the Mississippi River, as well as multiple Salutatorians and Valedictorians at the high school level.

Extracurriculars play an enormous role in a child's development, and we offer a varied assortment so that there is something for everyone. The Holy Rosary Vikings have nine athletic teams for girls and boys from kindergarten to 8th grade, as well as our in-house broadcast station—WHRA—providing daily updates to the student body. In addition, we offer academic and creative clubs for interested students, such as the Chess Club, Forensics and Debate, Band, Choir, Theatre and more.

A RICH TRADITION IN FAITH AND EDUCATION.

Named a National Blue Ribbon School in 2020 and 2013 by the U.S. Department of Education, we are proud of the educational program which we provide at Holy Rosary Academy. Of course, everything we do is rooted in and guided by our faith, and our Catholic worldview provides a strong moral compass and guiding light for students and families of all religious and ethnic backgrounds.

Many of our students grow closer to their faith in their time at Holy Rosary Academy by serving as lectors, cantors or Altar Servers in Mass, while some families simply enjoy being around a Catholic environment which is open and accepting to all. We are all one people, and at Holy Rosary Academy, we are all one family. We hope you'll join us.

Faith is the backbone of Holy Rosary Academy, but all backgrounds, religions and ethnicities—not just Catholics—can thrive from learning in an environment with a Catholic worldview.

Holy Rosary Academy was proudly named a National Blue Ribbon School in 2020 and 2013.

Since 1954, the mission of the Holy Rosary Academy community is to support and encourage the development of each child's unique set of God-given talents by providing a Catholic education grounded in Gospel values and committed to excellence.
